The J.V.A. Flag Corporation was created for the first annual Deitch Art Parade in September of 2005. The group is comprised of a cross-section of New York's creative community: artists, dancers, actors, writers, and musicians were all invited to participate in the performance. Adopting the credo 'we are one body and many minds united for art', the flag corp collaborates to inspire the creation of art, celebrate prolific ideas, and encourage and motivate artists of all concentrations to continue working. The J.V.A. Flag Corporation was conceived and created by Jeremiah Clancy, Vanessa Walters, and Alexia Stamatou.
